

## **Anti-Slavery and human trafficking policy**

Modern slavery is a crime and a violation of fundamental human rights. It takes various forms, such as slavery, servitude, forced and compulsory labour and human trafficking, all of which have in common the deprivation of a person's liberty by another to exploit them for personal or commercial gain. Here at Globe Integrated Solutions Ltd, have a zero-tolerance approach to modern slavery and we are committed to acting ethically and with integrity in all our business dealings and relationships and to implementing and enforcing effective systems and controls to ensure modern slavery is not taking place anywhere in our own business or in any of our supply chains.

Globe Integrated Solutions are also committed to ensuring there is transparency in our own business and in our approach to tackling modern slavery throughout our supply chains, consistent with our disclosure obligations under the Modern Slavery Act 2015.

We expect the same high standards from all our suppliers and business partners, and as part of our contracting processes, we include specific prohibitions against the use of forced, compulsory or trafficked labour, or anyone held in slavery or servitude, whether adults or children, and we expect that our suppliers will hold their own suppliers to the same high standards.

This policy applies to all persons working for us or on our behalf in any capacity, including employees at all levels, agency staff, contractors and third-party representatives and business partners.

This policy does not form part of any employee's contract of employment and we may amend it at any time.

The prevention, detection, and reporting of modern slavery in any part of our business is the responsibility of all those working for us or under our control.

You are required to avoid any activity that might lead to, or suggest, a breach of this policy. You must notify your manager or the compliance as soon as possible if you believe or suspect that a conflict with this policy has occurred, or may occur in the future.

We aim to encourage openness and will support anyone who raises genuine concerns in good faith under this policy, even if they turn out to be mistaken. We are committed to ensuring no one suffers any detrimental treatment because of reporting in good faith their suspicion that modern slavery of whatever form is or may be taking place in any part of our own business or in any of our supply chains.

Any employee who breaches this policy will face disciplinary action, which could result in dismissal for misconduct or gross misconduct.

We may terminate our relationship with other individuals and organisations working on our behalf if they breach this policy.
